Punjab Group of Colleges, 2018 2018

Metriculation

Punjab Group of Colleges, 2016 2016

PROFESSIONAL EXPERIENCE

Next Inn Technologies - Frontend Web-Developer

- Actively learning and applying new frontend development techniques within the team.
- Utilizing HTML, CSS, and JavaScript to enhance user experience under mentor guidance.
- Assisting in optimizing website performance across browsers and devices.
- Participating in team meetings to seek advice and accelerate personal growth.

Future Vision - User Interface Designer (Figma)

January 2023 – March 2023

- Designed intuitive and visually appealing user interfaces for web and mobile applications using Figma.
- Conducted user research to understand the needs and preferences of the target audience.
- Created wireframes, mock-ups, and prototypes to visualize and communicate design concepts effectively.
- Conducted usability testing and gathered user feedback to iterate and improve designs.

TECHNICAL SKILLS

Django (Python web framework) | Frontend development (HTML/CSS) | Bootstrap-5 | Figma (UI/UX Design) | Communication and collaboration | MS word, excel | Typing (35 WPM)

PROJECTS

CAMPUS MANAGEMENT SYSTEM – FINAL YEAR PROJECT

- **Developed a comprehensive CMS** using Django, leveraging Python for backend development and integrating HTML, CSS, JavaScript, and Bootstrap 5 for a responsive and user-friendly front-end.
- **Designed and implemented** the front-end interface using HTML, CSS, JavaScript, and Bootstrap 5, ensuring a seamless user experience and compatibility across devices.
